

Yang Amat Mulia PENGIRAN KERMA RAJA Pengiran Haji Kamarulzaman bin Pengiran Pekerma Setia Diraja Sahibul Bandar Pengiran Haji Ali had been working with several Government Sectors for more than 30 years. He has started his career since 1972.

He joined Jerudong Park Medical Centre (JPMC) in March 2002. During his career with JPMC, he was the Chairman & Chief Executive Officer where he promoted JPMC to be a centre of excellence in healthcare and striving to be the premier healthcare provider in the region.

On 9th April 2007, His Majesty and the Sultan Yang Di-Pertuan Negara Brunei Darussalam appointed YAM PENGIRAN KERMA RAJA Pengiran Haji Kamarulzaman as the Chairman of Sungai Liang Authority (SLA). The SLA is a newly established government owned body corporate working together with Brunei Economic Development Board (BEDB) to develop Sungai Liang Industrial Park (SPARK) into a globally competitive industrial park. It also involves the establishment of a methanol plant, and the development of shared infrastructure including a jetty, power plant and water treatment plant, and expected to have more spin-off industries. The park is expected to be operational by early 2010.
